

## COLA 2008 Summer Swimmer Meet Information

Meets are not required, but are strongly encouraged. All Meets have a meet sign up deadline listed below. To sign up for a meet find the clipboard at either pool for that meet and highlight your swimmers name by the meet sign up deadline.

Once a name is highlighted they are automatically entered in the meet unless you scratch it out and once entered a swimmer must pay their meet fees **regardless of if they actually show up to the meet or not!**

All Meets with the exception of Championship Meets are \$15 a meet. Make checks payable to COLA. You will need to pay your meet fees once you have signed up. You can put money in the meet fees envelopes at either pool locations.
