A Special Opportunity:

On April 9th during our registration our sponsor All American Swim Supply will be at the pool selling team suits and other swim gear. They will have suits for you to try on and will have a printing machine where they will stamp the COLA logo on the suit right there at the pool, so that you can walk away with your suit that day. They will also have practice suits, goggles, caps, and other swim gear for you to check out. You will pay All American directly for your purchases that day. They will accept cash, check, or credit. If you do not buy your summer suit at this time, we will have the company info for you to call and order your suit from them directly later. We will not have a sizing kit later.

If you can't make it:

If you can not make it to registration, No Problem! You can now register online or by mail. Go to the summer swimming page on the website for directions. However, you will have to order your own team suit as stated above in special opportunity.
